A WONDERFUL INVENTION.

Professor P. D. Barnhart's Amalga mater Proves a Complete

Miss M. Riggs, of Dos Cabezas, is The problem of extracting flour and risiting in the city, and is a guest at the Corndorff. amalgamation, has at last been solved. Scarcely a day passes that there are Three of the P. D. Barnhart patented not freeh arrivals of winter visitors in our city.

Hall's Vegetable Sicilian Hair Renewaris, unquestionably, the best preservative of the hair. It is also curative of the hair. It is also curative of machine was patented January 1, 1895, dandruff, tetter, and all scalp affections.

John Weigle has sold a group of twelve mining claims, in the Santa Ritta, to Lewischn Bros., owners of the Resement properties. were made by hand last winter and spring near the present location of the works, and proved entirely satisfactory. three machines, revolving screen, steam engine, etc., with a capacity for working about seventy five tope per day of twen ty-four hours. As the coarse gravel is taken out before the material goes into the revolving screen of 20 mesh fineness, the seventy-five tons would represent about one-hundred and fifty tons of the gravel as excavated from the ground.

The machine is very imple in con struction and requires but little power to power for each machine.

It is as well adapted to saving fine gold and floured quickeliver in stamp

and can be easily substituted in the lace of the usual copper plates.

Arrangements are being made to erect-several other plants of this machinery at other points on the Colorado river,

in the near future.
Professor P. D. Barnhart, the invento and patentee of the amalgamator, is in charge of the work, and intends to exas circumstances will warrant it.

Now that the machine is working day and right, it has passed the experiment-al point and is a demonstrated success. Other localities, where flour and flake gold occur, will be reached as early as

The gravel bars along the Colorad river are numerous, and contain vast quantities of very fine gold, in some lo-calities yielding from \$1.50 to \$3.00 per cubic vard. But 50 cents per cubic yard will amply reward the miner for time and labor required to secure this gold. A company of eastern capitalists is nterested in the enterprise with Mr

It is stated by reliable authority: "The machine saves all the gold."-Journal-Miner.

THE CITY OFFICERS.

Very seldom is any city confronted with so formidable an array of candidates as those whose names appear upor the two tickets which have been placed cefore our citizens for the coming city election. Democrate and republicant are upon both, and there is no reason name of the "Citizens' Independent" on-Partison Taxpayers'.'

Heading the former, is the name of Case. F. Schumacher, for mayor. Mr. Schumacher is well and favorably known to the citizens of Tucson, where for many years he has been prominently before them in a number of official capacities, and in each of them has proven a most faithful public servant. Henry Bushman, the present mayor, heads the other ticket, and, like Mr. Schumacher, he has long been identified with the best interests of the city. He Gezette. is a man of sterling integrity, and it can not be doubted, for the past proves it, that any one feels a deeper interest in

Johnson is an able man and an indue rious worker, known for years by our eople. He has also taken a prominent art in the affairs of Tucson. His op o est is R. T. Millar, widely known as e head of the Sami. F. Baird under sking establishment, Mr. Miller becade a splendid record as councilmen rom the second ward, and is eminently fitted for the duties of the office be

eks. The first ward has two aspirants for councilman. Gust. A. Hoff, a prominent democrat and business man, is on he Independent ticket. As a member if the Tucson Grocer Co., he has an extended acquaintance, and is loosed upon as one of our thorough, wideawake oiticharge of every duty which falls to his lot. Opposing him is M. P. Dodge, a republican, who is engaged as book keeper for J. Ivancovich. Mr. Dodge is a careful, psinstaking man, well up in sentenced by Justice is sentenced

For Assessor Vicente M. Cordova is the candidate of the first ticket mentioned. He is energed in the manufacture of saddles and harness, and is prominent nothing but the best grades.—Herald.

the National Guard of Arizona on the staff of Colonel Martin. Dr. Hughes, superintendent of the

territorial incane seylum, today dis-barged two patients as cured. They were Mrs. Belin, of Tucson, and Geo. Howard of Yuma. Both patients were very much incane when admitted to the asylum, but have been permanently oured by the dootor.—Herald.

Before the board of control yesterday, Senstor Ives appeared to endeavor to secure a compromise in the prison con-tract case, whereby he might be allowed why Tucson's municipal affairs should ed a sort of supplemental contract, or suffer in event of the election of either rather certain concessions in the present tieset. One of the tickets bears the agreement. He was listened to and his propositions were taken under advise-ment.—Gazette.

During the late cool wave, one of the verest ever witnessed in Salt River velley, the orange groves have remained being in perfect condition and not even a leaf frosted. Arizons is surely the fruits; for they seem indigenous and bere attain the highest degree of perfection known. True, the groves are young but the trees are heavily laden with ripening fruit of unexcelled quality.-

For Councilman-at-large two representative citizens are named. Royal A. Johnson, the present county treasurer is upon the Independent ticket Mr. work .- Gazette.

Word was brought into town this morning that a Mexican man had been found dead near the Grand canal on the pannelled a coroners jury and went to the scene. He found that Antonio Lopez, a wood hauler, who had camped near the canal had died during the light. The unfortunate man complained last night of pains in his stomach but went to sleep and it was expected that he would be better this morning. The relatives of the dead man live at Fort Aristeo Romero, who was recently

sentenced by Justice Craig to sixty days business affairs, thoroughly reliable, and in jail for a misdemeanor, was on last with a keen sense of the city's needs, Tuesday taken by Under Sheriff Gonwould make an able councilman.

The second ward has also two good men on the tick-t, either of whom would make able representatives. The lodependent ticket has the name of R.

Independent ticket has the name of R. G. Brady for councilman. Mr. Brady but while Mr. Gonzales' attention was terprising firm of Brady & Levin, and laid the are to one side, and then imterprising firm of Brady & Levin, and bears the reputation of being thoroughly alive to the needs of the city. George Puech is the caudidate upon the other icket, for this office. The firm of Puech & Z-diweger is well known in the city, and under cover of night struck out for New Mexico. No blame can be attached to Mr. Gonzales, as he was acting under the directions of his superiors. If this will only have the effect of keeping Aristeo out of town for a year or two, we don't know but that it would be the best way to dispose of him.

E. J. Newett's name appears as the Independent candidate for city recorder. Mr. Newet is one of the prominent members of the young democracy and has an interpretation of the prominent members of the young democracy and has an interpretation of the prominent members of the young democracy and has an interpretation of the prominent members of the young democracy and has an interpretation of the prominent members of the young democracy and has an interpretation of the presumed the himself in the willows growing on the bank of the willows growing on the bank o

pers of the young democracy and has an The new creamery which is fast nearextended acquaintance in the city.

Chas T. Connell, the present incumbent, appears as the candidate upon the Non Partisan ticket. Mr. Connell has awaiting the arrival of the machinery Non Parti-an ticket. Mr. Connell has a waiting the arrival of the machinery had experience in the office which makes the revices valuable. He is a man of family, a property owner and a taxpayer. He has made an efficient officer, and his record is a strong appeal to of butter and a like order from Congress of the match the contract of the contract o

you strong and bealthy.

MINES AND MINING.

What is Going on in the Different Compe in Arisons-Only one month remains in which to do assessment work on mines for the year 1896.

A five foot vein of red oxide of copper is among the reported new discoveries in Harqua Hala district.

W. C. Cook brought in over thirty-nine ounces of builion yesterday from the Union mine.—Phoenix Republican. It is reported that placer gold in pay ing quantities has seen discovered near Bill Williams Fork.—Mojave Miner. Work will be commenced shortly on

the erection of the mill at the Pro-vidence company's mine on Big Bug.— Journal-Miner. The water is being pumped from the Oro Pista mine by the lessees, Mesers. Sweeny & Dundon. They have a splenstreak of of ore to work on. The El Dorado canyon country

seems to be on the boom. Many of the old mines in that country will be worked and new machinery is going

A large number of placer claims have been located on the Colorado river be-low the mouth of the Virgin, which will be worked by a large force of men H. J. West has put in a larger size of

the Smith stamp mill, at the Mose mine, and is doing good work. The mine is looking well and Mr. West expects to make it a paying proposition. The Elkhart mine at Chloride is turning out lots of lead ore. When lead goes up to \$4 00, this mine will be a benanza. They work twenty-five men.—Our Min-

Work on the Lost Guich Mining Co's. ten stamp mill has been finished, and the stamps will soon be dropping on ore. The mill is one of the most complete in Globe district.—Silver Belt. For the October yield La Fortuns mine shipped a bar of gold bullion valued at \$92,535.90—the largest bar of gold ever shipped out of the territory. It was the product of twenty-seven days

Ex-Senator Stephen Dorsey is at his mines at the Pichaco mining district, which is on the Colorado river on the California side. A hundred stamp mill is to be erected immediately and opera-

A rich strike in free gold quartz is re-corted at Golden, New Mexico. The finder, Pablo Arando, describes the ore as a white quartz that is iron stained in which every piece as big as a walnut shows free gold visible to the naked eye.

The Huslapsi Mining company, operating the mines of Music mountain, is reported to have opened up an inmense body of gold ore in one of it-tunnels. The main tunnel is being run across country to tap a number of

Horace N. Chittendon, a prominent mining man of Colorade, is in the city looking over our mineral resources. He represents mining capitalists of Denver and is himself heavily interested in various producers of Colorado.—Pros-Another new hoist has been received

by the White Hills Company and will be hauled out to the mines in a few days. In about a month there will be sever noiste in operation in the White Hills. This is a pretty good showing for dull times in the great silver camp. The Temple Bar placers mines are be ing worked by a small force of men.
There is a proposition on hand to take out a ditch from the Colorado river with sufficient fall to run a turbine

water wheel, with sufficient power pump water against the uplying gravel their Advance mine, Pine Flas. The pay streak is from one to four feet. They will soon have a mill run made at Harlan & Stull's mill, which is about The Advance is a new find and the owners have not had time to do much

development, but so far as explored the

results are very flattering .- Prescott The Buell and Gerard group of mines showing up wonderfully well. They are owned jointly by W. A. Buell and W B. Gerard. Mr. Buell, while doing asseesment work on them encountered rich body of ore, and now has about 13 tons on the dump. A sample of 700 pounds tested at the Tucson Sampling Works assayed \$42 per ton in gold

flon. James A. Fleming recently pur chased two large reverberatory furnaces and the necessary machinery, including group of mines that have recently passed into the hands of the Black Warrior WASHINGTON, Dec. 3- Representative Ellis, of Oregon who arrived today, says the Pacific coast will make a strong bid the president. The furnaces are of the most approved design and have a capacity of 300 tons per day of twenty-four hours. Ample ore is blocked out al-ready to give a long run to the furnaces, being the most frequently mentioned. Ellis says the sentiment among the republicans of the coast is unanimous for the passage of a tariff. There is, how-

county, until that property was sold .-Pre-cott Journal-Miner.

There is one shaft in Mohave county 600 feet deep—the Hackberry. The "63" produced \$500,000 and the deep-st shaft on it is 100 feet; the C. O. D. produced \$1,000,000 and its deepest shaft is 400 feet on the incline; the McCrakin mines produced nearly \$4,000,000 and the work has all been done through a tunnel en the ledge. The Nightbawk, Cupel, Oro Plata, Keystone, Line Star, Rural, Buckeye and all the White Hills mines are only surface diggings although they have produced millions. Many shafts have been sunk to a depth of several hundred feet, but no prospecting as been done below a superficial depth. Mohave Miner.

A New Enterprise Chas. T. Etchells, one of the pionee of Tucson, and for many years a deale in wagons, now proposes to go into the manafacturing business. For a long time he has furnished a supply of wag-ons and vehicles, brought hither from eastern factories. He has built up a very satisfactory petronage in this line, but has long since discovered that the needs of Arizona are peculiar. Having, by his years of experience and observation gained an exact knowledge of what is required in this section of country, he proposes to build wagons and vehicles adapted to our peculiar conditions, and to meet the exact requirements of his patrocs. It can be safely said that any work done by Mr. Etchells will be of the very best, and his name is a guaran-tee of reliability. Tucson offers many inducements to manufacturer-, and it is a course of gratification to see advantage being taken of them.

THE CATHOLIC FAIR. the eighth round in last night's battle A Treat For The People of Tucson with Fitzsimmons, the referee declaring that Fitzsimmons had struck a foul glow, the sailor may not get the \$10,000 purse after all. At any rate he will have to make a legal fight for it which may prove a harderstruggle than he had set night. When Referee Wyatt Earp with Fitzsimmons, the referee declarset night decided that Fitzsimmone | telly the largest and handsomest building bad struck Sharkey a blow below the belt and that Sharkey was the victor on a foul he handed Lynch who is Sharkey's backer and manager a certified followed by one in English by the Rt.

Rev. Bishop Bourgade. Already the managers of the fair have beautiful and costly things, some to be voted to favorite candidates and others to be won at reffles. These articles have been sent to the management from Mex-ico, California, New Mexico, Arizona and from other states. The collection is n education in itself.

The fair will be held in the new cathedral. Numberless booths are now in course of construction, no expense or care being considered in beautifying them. These booths will be presided over and conducted by lovely ladies of Tucson. Among them one will be devoted to the sale of dolls, another to flowers, another to candy, another will be presided over by the seventh daughter of the seventh The fair will be held in the new catheoffice, fieh pond, grab bag, a chocolat table and an ice cream and lemonad table. The new cathedral will be for the occasion thrown open to the public for the first time, and its interior profusely decorated and artistically illuminated by electric lights, thereby bringing out its vast vaults, Corinthian pillars and superb decorations.

tions. Each day from five until ten, an elaborate Spanish dinner and also a dainty American supper will be served by la-dies. On the evening of the second and fourth days of the fair, tableaux will be given. Each evening there will be singdiner, of Chicago, established two new given. Each evening there professional bicycle records on the D. ing, recitations and music.

W. C track today, riding a quarter mile unpaced from a flying start in 261-5 seconds; half mile in 1:00 flst. The previous record for a quarter was 26 25 held by Otto Ziegler.

Advertised Letters

before been attempted in the territory. Already large numbers of people from Sonora and different towns in this terri tory bave signified their intention of attending, and to their entertainment and the success of the fair, all the Catholic and Protestant ladies of Tucson are devoting their best thought and much of

Look Here is Just What You Want. C.T. Etchelle has just received a car load of those famous Studebaker Bro's. Mig., Co. steel Concord axle California style wagons, built under special in-structions in reference to climate and durability for use in Arizons. They will be sold cheap for cash. Call and elemine before purchasing elsewhere.

This is the best lot of wagons that ever was turned out of the Studebaker Bro's Mfg., Co., shops for the Arizona trade.

Important to Pioneers.

A meeting of the Society of Arizona Pioneers will be held at their hall on Friday December 4th at 7 p. m. sharp. Business of importance will be discussed, also arrangements for annual celebration and proposition considered to change constitution so that qualification for membership be extended to July Assayer and Metallurgist 4, 1876. A large attendance Wardwell Dr Wm J is desired.

By order of President. HENRY LEVIN. CITY ELECTION 1896.

Notice is hereby given that in compliance with the provisions of the city charter of the city of Tucson, a muni-cipal election will be held in said city on the second Monday, being the 14th day of December, 1896, when the following

officers are to be elected: One Mayor, term of two years. One Recorder, term of two years.

One Assessor, term of two years.

One Treasurer, term of two years.
One Chief of Police, term of two years. One Councilman at Large, term one year to fill unexpired term. One Councilman Ward No. 1, term one year to fill unexpired term.
One Councilman Ward 2, term one year to fill unexpired term.
Ward No. 1 is all that part within the limits of the city of Tucson, north of the center line of Congress street; polling place at city hall

torial Exchanges Governor Franklin this morning com nissioned A. C. Bernard as Adjutant of

Regular quarterly teachers' examinations in Arizona will be held next Monday and Tuesday, December 7, and probably be a class of fifteen or twenty on attendance. The Board of Examin-ers announces that the session will open at 8:30 Monday morning if the applicants will be present at that time, thus allow-

known, and each is well fitted to disharge the duties of the office. Mr. Drachman is at the head is the shoe department of L Zeckendorf & Co., and has demonstrated that he possesses undoubted business ability and integrity. Mr. Tenny is cashier of the Consolidated bank, a position of trust which he has honorably filled for a long time.

For city marshal the names of S. W. Finley and G. W. Oakes are presented. Both are good men and either could fill this important office with credit to himthis cashier of the considered it an aid to the service he would recommend its being mainvice he would recommend its being main-tained. Its chief value is as a means of giving settlers in the Aravaips and San Pedro valleys early notice of Apache
